### An Afternoon of Crafting and Candles

Recently, Mrs. Melanie Roge from Southern Care Hospice spent time with residents for an afternoon of arts and crafts! Together, residents decorated and designed a fall-themed personal candle votive jar. With leaves, stickers, and ribbon, our residents were definitely "falling" in love with their beautiful designs! Thank you, Mrs. Melanie, for an afternoon of fun!

## Electronic Pets Visit Encore

One of our main priorities at The Retreat at Encore is to keep everyone smiling and laughing. And with a recent visit from Mrs. Terri Lejeune, we did just that! Mrs. Terri shared her collection of electronic stuffed animals to the delight of our residents. The robotic animals of different shapes, sizes, and sounds had residents engaged, curious, and laughing. Studies have shown that this spin on pet therapy can help reduce resident stress and improve socialization.

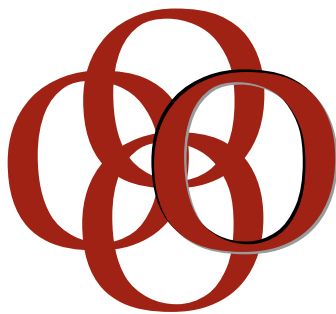

Thank you, Mrs. Terri, for sharing the fun!

## Craftiness is Happiness

Albert Einstein once said, "Creativity is contagious. Pass it on."

With Mrs. Cathy Mayfield, RN, residents passed on their creativity by designing beautiful coasters with one another out of various strips of fabric. Thank you for getting crafty with us, Mrs. Cathy!

*Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.*
