### *Inspirational Quote of the Month*

Kindness is an inner desire that makes us want to do good things even if we do not get anything in return. It is the joy of our life to do them. When we do good things from this inner desire, there is kindness in everything we think, say, want and do.

- Emanuel Swedenborg

## Spring Crafting

With spring in session and the weather warming each day, it's time to refresh our outdoor space! Residents did just that recently when they painted bird houses and sun catchers. Everyone had a great time painting their projects, and we are excited to put them on display for spring time!

*Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.*
