Honoring Our Veterans

In honor of Veteran's Day, Encore came together with healthcare partners Southwind Healthcare & Rehabilitation and Southwind Senior Living Suites to put on a special program for our veteran residents. The

Bayou Blend Chorus performed at the program and the fire department was there to raise the flag. After the performances, the veterans enjoyed refreshments and were presented with gifts as a small token of our appreciation for their service. We could never thank you enough for your service, Veterans!

Getting Spooky!

From the awesome costumes, to the candy, to the smiles lining our halls, we truly had a spook-tacular Halloween at Encore. Residents love when the children come to visit in their costumes, and they love dressing up in costume themselves!

Keep Calm and Craft On

When the cooler weather has you wanting to bundle up indoors, what better way to spend the afternoon than crafting? Residents have definitely been enjoying working on autumn crafts such as painting wooden owls, making fall wreaths, and even assembling adorable turkeys from pine cones and feathers! Our residents proudly display their handiwork in the photos below.

Our Mission

Our mission is to enable our residents to live life to its fullest, regardless of age or health, with compassion, understanding, respect, dignity, and caring support.

Inspirational Quote of the Month

The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.
