A SPECIAL VISIT

The Acadia Parish Sheriff's office visited our residents during the Holiday Season. They brought donations of gifts and spent some quality time with them. Everyone was very excited, and some of our residents were even former neighbors and babysitters of our guests! Thank you, APSO, for stopping by and putting smiles on our residents' faces!

CELEBRATING NATIONAL ACTIVITY

PROFESSIONALS' WEEK

Happy Activity Professionals' Week!

Got a hankering for pinochle? Want to dilly dally or just piddle? Craving your grandmother's 'made from scratch' apple pie? Such are the simple requests of residents...requests that are no different than our very own. And such is the life of our Life Enrichment Directors who have the unique opportunity to interact and engage with our residents from a social perspective. These interactions provide meaningful activity beyond the routine of daily regimented healthcare, which is essential to living a quality life in long-term care. Having a choice of activities and engaging in activities that feel productive and have value is key to experiencing a sense of independence and a positive self-image for residents. So, dilly dally away! Thank you for your generous offer of your time, talents, and treasures that enrich our residents' lives!

SILLY SOCKS

Residents and staff recently enjoyed a day dedicated to wearing crazy socks! Socks of all colors and patterns were on display. This day was surely filled with lots of smiles and laughter.

REINDEER GAMES

In the spirit of the Holiday Season, residents gathered for a festive game of "Pin the Nose on the Reindeer." Each player was blindfolded and asked to pin Rudolph's nose on his face. It was funny to see the residents' faces when they removed their blindfold to see where their nose actually landed!

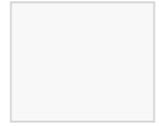

INSPIRATIONAL QUOTE OF THE MONTH
