IN LOVING MEMORY

It is with deep regret we announce the passing of Chef Lamar Bowman, dietary manager at Encore. He recently suffered a massive stroke at the young age of 58. Chef Lamar loved his job, loved our company, and was an inspiration to everyone around him. His hard work and dedication to his residents and fellow employees was second to none. He will be greatly missed by all. Please keep his family in your thoughts and prayers as they struggle through this most difficult time.

Because of you, I laugh a little harder, cry a little less, and smile a lot more. *—author unknown*

A BIG THANKS

Thank you to the women of Women Inspiring Sisters Hearts (W.I.S.H.) for the generous donation of calendars, coloring books, word search books, body wash, deodorant, and so much more to residents and staff. W.I.S.H. is a Christian-based group of women dedicated to encouraging other women.

PIZZA TIME

“Have it your way” isn't just at Burger King! Encore residents recently enjoyed making pizza just the way they like it. Using crescent rolls for the crust, everyone crafted their personal pizza with delicious ingredients including pepperoni, olives, bell peppers, onions, and, of course, cheese. Any way you slice it, this meal was a hit!

LET'S [VIDEO] CHAT!

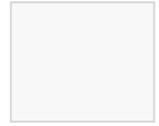

We are excited to share the good news that Encore now has two Amazon Echo Show devices for the use of video and audio calls with family and friends.

It's as simple as downloading the Amazon Alexa app on your smart phone to begin a video call with an Encore resident. However, if you do not have a smart phone, you can still enjoy an Echo Show audio call with your loved one by (1) scheduling a time and date for the call and (2) calling Encore's Echo Show number at 225.432.1355.

If you need additional instructions, have questions, or would like to schedule a video call, please feel free to contact Jessica or Pennie in the Activity Department at 337.783.5533.

We look forward to video chatting with you soon!
