LET'S [VIDEO] CHAT!

We are excited to share the good news that Encore now has two Amazon Echo Show devices for the use of video and audio calls with family and friends.

It's as simple as downloading the Amazon Alexa app on your smart phone to begin a video call with an Encore resident. However, if you do not have a smart phone, you can still enjoy an Echo Show audio call with your loved one by (1) scheduling a time and date for the call and (2) calling Encore's Echo Show number at 225.432.1355.

If you need additional instructions, have questions, or would like to schedule a video call, please feel free to contact Jessica or Pennie in the Activity Department at 337.783.5533.

We look forward to video chatting with you soon!

TEAMWORK MAKES THE DREAM WORK

Congratulations to the team at Encore for earning their fifth deficiency free survey in seven years. This is no small accomplishment and we are thrilled to celebrate with them. Employees were treated to delicious steak with an assortment of sides, along with decadent desserts, door prizes, and more!
