## FRIENDLY REMINDER

Dear Residents, Family, and Friends,

Over-the-counter medications and CBD products must be physician approved and ordered for all Encore residents. In addition to this, these products cannot be kept at a resident's bedside. To do so would put a resident at risk for adverse effects and could cause conflicts with their current medication regimen. Once approved and ordered by the physician, OTC medications and/or hemp products must be always kept in the medication cart and administered only by the nurse.

If you have any questions, please call any of our administrative nursing staff. We will be happy to speak with you and appreciate your understanding and cooperation on this very important matter.

*Thank You  
for your support*
