CELEBRATING BLACK HISTORY MONTH

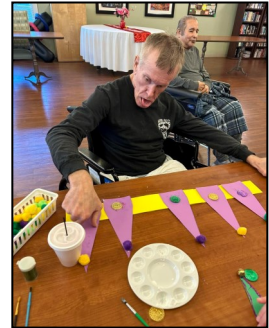

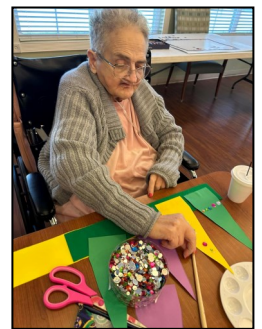

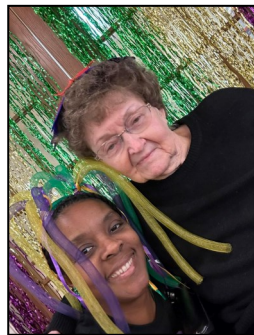

February was Black History Month! We chose to honor and recognize this important month by decorating the Activity Department's office door with love and historical black figures.

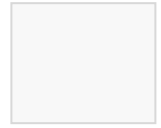

History has shown us that courage can be contagious and hope can take on a life of its own. -Michelle Obama

LAISSEZ LES BONS TEMPS ROULER!

Laissez les bons temps rouler - the French expression for "Let the good times roll!" - is exactly what we did this parade season! You could say we've been in a Mardi Gras state of mind with many festivities. We kicked off the season with homemade king cake and beignets, then crowned our Mardi Gras King and Queen and celebrated with delicious king cake from the *Cake Bar*. Then, we ended the season with a good old-fashioned Mardi Gras Parade! Thank you to everyone who participated and made our events a success.
