The good times were truly rolling at Encore! Our residents delighted in frying fresh, golden beignets, savoring boudin and king cake, and soaking in the sounds of lively music. It was a day filled with laughter, delicious flavors, and joyful moments shared together. Celebrations like these are a beautiful reminder of how special it is to gather as a community—where great food and even better company make memories that last.

We would like to extend a hearty ‘thank you’ to all who made such a great day possible. Encore appreciates you!

King cake, Anyone?

Our community tapped into their creative side, turning simple paper bags into charming mini king cakes. With colorful decorations and imaginative details, each design reflected its creator's unique flair.

The room buzzed with laughter and encouragement as everyone shared ideas and admired one another's work. It was a fun, festive activity that brought out creativity while strengthening our sense of community.

Watching our residents' creativity blossom is always such a joy!

Celebrating 40 Years of Carolyn Hayes!

Some people leave a mark wherever they go; others leave a legacy that lasts for decades. Today, we proudly celebrate a truly remarkable milestone as we honor Carolyn Hayes for 40 years of dedicated service with Elder Outreach.

Forty years is more than a number—it represents a lifetime of commitment, loyalty, compassion, and unwavering dedication. Over the past four decades, Carolyn has been a steady and reliable presence, serving not only as an employee but as a cornerstone of the Elder Outreach family.

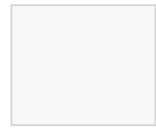

Throughout her career, she has shown what it means to truly care. Her work has never been “just a job.” It has been a mission. She has poured her heart into everything she has done, always putting the needs of others first and setting an example of integrity and professionalism for everyone around her.

Her impact goes beyond the tasks she has completed or the years she has served. She has touched lives, supported coworkers, and helped create a culture of compassion and teamwork. She has been a role model, a mentor, and a trusted friend to many.

To help us keep all residents safe and accounted for, we kindly ask for your cooperation when taking a resident out of the building.

When Leaving:

Please stop at the front desk or kiosk located in the lobby and sign the resident out on the kiosk.

When returning to the facility:

Upon return, please sign the resident back in on the kiosk and notify the nurse that the resident has returned.

This process allows our care team to:

- Know who is in the building at all times
- Respond quickly and accurately in the event of an emergency
- Ensure continuity of care for our residents

We truly appreciate your help in making this a smooth and quick step during your visit. If you need assistance using the kiosk, our team is always happy to help. Thank you for partnering with us to keep our residents safe and well cared for.
